KENTUCKY LOTTERY AGAIN NAMED A BEST PLACE TO WORK IN KENTUCKY

For the second year in a row, the Kentucky Lottery has been named a Best Place to Work in Kentucky (medium-size company) by the Kentucky Chamber of Commerce and the Kentucky Society for Human Resource Management.

The award is given based on results of an employee survey of workplace satisfaction and an evaluation of policies, practices, and demographics. The Kentucky Lottery competed in the medium company designation of businesses with 150 to 499 employees.

The Kentucky Lottery won the overall competition in 2021 and has again been named one of the Best Places to Work in 2022.

“To again make this prestigious list is such a tremendous honor for all of us,” said Kentucky Lottery President and CEO Mary Harville. “We’ve worked hard to create an atmosphere that’s a great place to work while at the same time shattering sales records. Those two goals can successfully coexist, and we’re an example of that. The best interest of our employees has always been top of mind for us. During these two years we were working both remotely and now back in the office, and it’s reaffirming to see our employees appreciating what we’ve been able to accomplish.”
